CURRICULUM VITAE — 2026

THIBO SANDERS

GRAPHIC DESIGNER / PHOTO AND VIDEO

I'm Thibo, 23, a graphic designer from Lokeren, Belgium. Since graduating from Howest I have worked every day on brand identities, print, social content and video, first at Hays and now at Swift. I love to draw, I am just as happy behind the camera, and I am only satisfied when a project is right down to the last file that goes to the printer.
